

Revised August 6, 2007

Bancroft Cemetery Rules and Regulations

Use of glass containers is prohibited

Due to difficulty in mowing and trimming of the Bancroft cemetery, permanent plantings will not be permitted

Flowers, both real and artificial and other grave ornaments cannot be permitted during the months of May through September; Except during the period of May 20th through June 10th. After June 10th all decorations will be disposed of by the Village of Bancroft.

Except flowers in vases permanently attached to tombstone, monument of gravestones.

Non permanent plantings and decorations at other times of the year:

October through April

Must be within (6) inches of the foundation or headstone

Restrictions do not apply to new interments for a period of (60) days after interment

Persons desiring to erect monuments, tombstones or other structures shall first obtain a permit from the Village Clerk

Placement of tombstones, monuments or gravestones shall be under supervision of the maintenance superintendent
